

## Swell

The Swell is our lightest and most compact terdrop camper, that can be towed by practically any car.  
She features an inovative fiberglass mould kitchen and rear end, with a fiberglass tailgate hatch with built in rain gutters.  
The Swell has a double bed, and can also be fitted with a 270 degree awning that to

## Swell XL

The Swell XL (Extra Long) takes the Swell and lengthens the body to achieve a Queen length bed inside.  
It features all the specifications of the swell, in a longer body.  
With the longer body, we can also fit an extra window on both sides!

## Swell XL Ultimate

Takes the Swell XL to the next level, Re-defining what a light trailer can be, by adding a slide out kitchen with 2 Burner gas cooktop (gas bottle storage on drawbar), a stainless sink, and flip over benchtop.  
(Don't forget the cutlery draw).  
The fridge, a 62L (or 96L) Dual Zone EvaKool slides out from a box on the drawbar, with storage opposite. Light weight and feature packed!
